STGCS NEWS

'TO LIVE AND TO LEARN TOGETHER THROUGH OUR FAITH IN JESUS CHRIST'

A HISTORIC FIRST WIN FOR STGCS FC!

Saturday was a morning to remember as STGCS FC secured their first-ever victory, winning 2-1 in a fantastic display of teamwork, determination and resilience!

After weeks of hard work and development, the boys showed just how far they have come, playing with confidence, communicating brilliantly and supporting one another throughout.

Our number 5 opened the scoring, followed by yet another fantastic goal from our number 10! There were brilliant performances across the team, with everyone working hard, creating opportunities and showing real belief.

The final whistle brought huge celebrations, smiles and a team hug, with many boys already asking when they would be playing again!

We are incredibly proud of every player for their commitment, teamwork, perseverance and the confidence they showed.

Congratulations, STGCS FC! You made us incredibly proud! Here's to many more memorable mornings!

Half Term Highlights

EARLY YEARS

This week, EYFS took part in a Teddy Bear Hospital workshop, where the children learned how to care for their teddy bears and what to do in an emergency. They also explored healthy food choices and discussed the importance of brushing their teeth to stay happy and healthy.

YEAR 1

In Year 1 DT, the children have been exploring stable structures and discovered that wide or weighted bases are stronger and less likely to topple over. Using their cutting, joining and design skills, they then created their own freestanding pencil pots. Have a look at their fantastic finished products!

YEAR 2

Year 2 have been having lots of fun in Computing, learning how to take both portrait and landscape photographs.

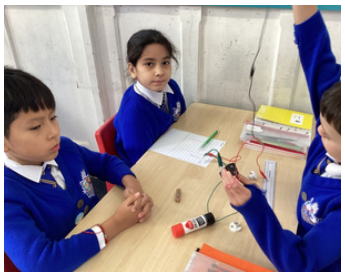
They enjoyed exploring different ways to frame their pictures and capture the best shots.

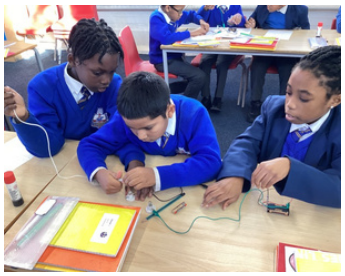
YEAR 3

In Year 3 French, the children have been learning adjectives to describe colour, size and shape. They have been practising phrases such as "C'est un petit cercle rouge" as they develop their speaking and vocabulary skills.

YEAR 4

Children enjoyed building, testing and redesigning electrical circuits. They explored how circuits work and used their problem-solving skills to make improvements when needed.





YEAR 5

The children had a fantastic time on their trip to the cinema this week, where they enjoyed watching How to Train Your Dragon. A special highlight of the day was meeting a friendly Tube driver, who invited some of the children to sit at the front of the train with Miss Atkinson and help "drive" it, making the experience even more memorable!

YEAR 6

Year 6 put their culinary skills to the test in a special Come Dine With Me DT challenge. Working in teams, they created a starter, main course or dessert using a designated 'hero' ingredient: peppers, chicken or pineapple. The children had great fun tasting, judging and rating each other's dishes while developing their cooking and teamwork skills.

STGCS PTA

"We would like to say a huge thank you to all the parents and guardians who contributed cakes, baked treats and supported our cake stand by making purchases.

Thanks to your incredible generosity and support, we raised an amazing £250!

All the money raised will go towards our upcoming Christmas winter market, helping us make it a wonderful and memorable occasion for everyone.

From the PTA team."
