Dear Parents and Carers,

RE: Clubs and Wraparound Care

I am writing to inform you that there will be no after-school extra-curricular activity clubs running next term. This is because our official After School Club provision is due to begin very soon, and we are now preparing for its launch.

At this stage, we are still awaiting final confirmation of the start date; however, we are extremely hopeful that the provision will begin within the first few weeks of Spring Term 2. As soon as we receive the necessary details, we will share them with you immediately.

Our new wraparound care will be run by an external provider called Magna. You can find more information about them on their website: <https://www.magnagroups.com/>.

Please note that all bookings will be made directly with Magna, and they will manage all payments and administration. The school will simply act as the host venue.

We want to reassure you that Magna's staff are fully DBS-checked, highly trained, and experienced in delivering high-quality childcare provision. The company has an excellent reputation, and their website showcases a wide range of positive feedback and successful programmes across many schools.

We understand how important wraparound care is for our families, and we want it to begin as soon as possible. Please be assured that we are working closely with Magna to ensure everything is in place and running smoothly so that we can support you in the best way we can.

Thank you for your patience and understanding. We will keep you updated as soon as further information becomes available.

Kind regards,

Mrs. L Chabvuka

Headteacher
