

Friday 17th July 2026

Dear Parents and Carers,

As we reach the final day of the summer term, I am writing to you with a mixture of immense pride and deep emotion. This Friday marks not only the end of another wonderful academic year, but also my final day as Headteacher of St. George's Cathedral Catholic Primary School.

Serving this school and community has been the great privilege. From the moment I joined STGCS, I have been inspired by the dedication of our staff, the unwavering support of our families, and, above all, the kindness, faith, and curiosity of our wonderful children.

We have always strived to ensure our pupils "live and learn together through our faith in Jesus Christ." Seeing our children embody this mission daily, showing a spirit of generosity, a genuine love of learning, and an inclusive warmth to everyone in our community, has been incredibly fulfilling.

While it is incredibly difficult to say goodbye, I leave knowing that St. George's is in an exceptionally strong position. As the school moves forward into its exciting next chapter with the St. Benedict Catholic Academy Trust and continues its proud tradition of working closely with the Cathedral clergy, I know the school will continue to provide an outstanding education rooted in our shared values.

I want to extend my heartfelt thanks to our phenomenal staff team, who work tirelessly every day for your children, to our governors for their continuous support.

Most importantly, thank you to you, our parents and carers. Your partnership, trust, and shared commitment to your children's journeys have been invaluable to me throughout my tenure.

I wish all of our families a restful, safe, and wonderful summer break. Thank you for the memories, the support, and the immense privilege of leading this extraordinary school. St. George's will always hold a very special place in my heart.

Best wishes,

Mrs Chabvuka
Headteacher
