

STGCS NEWS

'TO LIVE AND TO LEARN TOGETHER THROUGH OUR FAITH IN JESUS CHRIST'

WHAT A WEEK!

It has been another fantastic week at STGCS, filled with enthusiasm, creativity and exciting learning. From exploring different countries and cultures to developing skills in Science, PE, languages and the arts, the children have continued to impress with their curiosity and determination. It has also been wonderful to see friendships growing and children supporting one another as they live out our Catholic values each day. We are incredibly proud of all they have achieved this week.

"Dear Jesus, thank you for the gifts and talents you have given us.
Help us to learn, grow and show kindness to one another. Amen."

Year Group Highlights

EARLY YEARS

It has been a fantastic start for Early Years! The children have enjoyed exploring their new surroundings, making friends and building positive relationships as they begin their EYFS journey.

YEAR 1

Year 1 have been learning about seasonal changes in Science. The children explored different types of weather across the seasons and created their own colourful season cloud mobiles to showcase their learning.

YEAR 2

Year 2 enjoyed an exciting Local Area Week, learning all about St. George's Circus and discovering how the area has changed over time. They explored its history and development, gaining a deeper understanding of their local community. The children also had great fun creating their own maps of the local area, demonstrating their creativity and developing their geographical skills.

YEAR 3

Bonjour from Year 3! The children have begun their French journey, learning and practising greetings including bonjour, au revoir and je m'appelle.

YEAR 4

Year 4 have been developing their gymnastics skills in PE, practising a range of balances, rolls and sequences. The children showed fantastic control, coordination and determination throughout the lesson.

YEAR 5

Year 5 have been exploring the continent of Africa, with a focus on South Africa. The children discovered the origins of traditional gumboot dancing and had great fun learning and performing a routine.

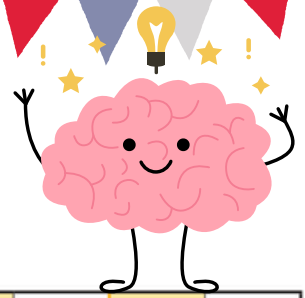

YEAR 6

As part of their learning about the continents, Year 6 explored Europe with a special focus on Poland. The children discovered the traditional Polish folk art of Wycinanki and enjoyed creating their own colourful paper-cut designs.

PUZZLE CORNER

Can you solve these maths problems?

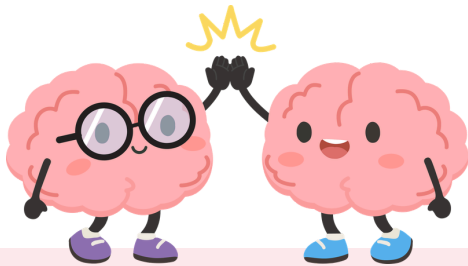

$$\text{Green Circle} + \text{Green Circle} = 10$$

$$\text{Green Circle} \times \text{Yellow Square} + \text{Yellow Square} = 12$$

$$\text{Green Circle} \times \text{Yellow Square} - \text{Red Triangle} \times \text{Green Circle} = \text{Green Circle}$$

$$\text{Red Triangle} = ?$$
