

Wednesday 30th September 2026

Dear Nursery Parents and Carers,

RE: Applying for a Reception Place for September 2027

If your child was born between 1st September 2022 and 31st August 2023, they are due to start Reception in September 2027.

Please be aware that a place in our Nursery does not automatically guarantee your child a place in Reception. Parents and carers must make a separate application for a Reception school place through the eAdmissions online system.

Applications for September 2027 are now open and can be made online at: www.eadmissions.org.uk

The application process is as follows:

1. Visit www.eadmissions.org.uk.
2. If you have not used eAdmissions before, you will need to create an account. If you already have an account, you can sign in using your existing details. Accounts that have not been used for three years may have been archived, so you may need to register again.
3. Add your child's details and select the schools you would like to apply for.
4. Check that all the information and your school preferences are correct.
5. Submit your application online.
6. Once submitted, keep your confirmation as proof that your application has been received.

The eAdmissions system allows parents to apply for Reception places for September 2027 and has been open for applications since 1st September 2026.

Further information about starting primary school, including admissions arrangements and guidance, can be found on the Southwark Council website; www.southwark.gov.uk/schooladmissions

We strongly encourage all families to complete their application in good time and not leave it until the last minute.

If you need any help with the application process or accessing the eAdmissions website, please speak to a member of the school office team. We will be very happy to support you.

Yours sincerely,

Christopher Woolridge
Office Manager
