'TO LIVE AND TO LEARN TOGETHER THROUGH OUR FAITH IN JESUS CHRIST'

## HARVEST FESTIVAL

This year's Harvest Festival at St. George's Cathedral Catholic Primary School was a truly joyful and meaningful celebration of community, gratitude, and giving.

Our school hall was filled with the spirit of generosity as pupils, families, and staff came together to mark this special time of year. The children shared songs, prayers, and reflections that reminded us all of the importance of thankfulness and helping those in need.

We would like to extend a huge thank you to all our families for the incredible donations of food and essential items. Your kindness and support have made a real difference. All contributions have been delivered to our local food bank, where they will provide much-needed help to families in our wider community.

It was heartwarming to see our pupils so engaged in the true meaning of Harvest, giving back and showing compassion. We are proud of their efforts and grateful to be part of such a caring school family.

Thank you once again for your generosity and continued support. Together, we make a difference.
