Monday 3rd November 2025

Dear Parents and Guardians,

We are excited to announce that Careers Week will be taking place at STGCS from 1st – 5th December and we warmly invite you to be a part of this inspiring event!

Careers Week is a wonderful opportunity for our children to explore the world of work, learn about different professions, and begin to think about their own aspirations for the future. We believe that hearing directly from parents and community members about their careers can be incredibly enriching and motivating for our pupils.

This will be a week-long event culminating in a fun dress up day on Friday 5th December.

How You Can Get Involved

We would love for you to come in on Monday 1st December and speak to the children about your job, the path you took to get there, and what a typical day looks like in your profession. Whether you work in healthcare, construction, education, business, the arts, or any other field, your experience is invaluable and can help broaden our children's horizons.

If you are interested in participating, please let us know by Friday 21st November by completing the form below and returning to the school office.

Thank you for your continued support. We look forward to celebrating Careers Week with you and helping our children dream big about their futures!

Kind regards

Mrs Chabvuka

Headteacher
